

# MAN PLAYING GOD

## AN ATTEMPT TO INTERFERE WITH THE CREATOR'S UNCHANGABLE LAWS AND THE CONSEQUENCES PROPHESED IN SCRIPTURE

For any created being to presume that his/her wisdom is above their Creator seems incredible. . Anyone allowing their minds to become so self opinioned is virtually declaring war on the Great Creator of the Universe, who made the Law.

Consider God's great Law of Love for a moment. Unlike human laws, It has never been superseded; is not outdated; has never needed alteration. It is easily understood even by children. It does not need a lawyers interpretation. It covers the whole duty of man firstly to his Creator [the first four Commandments], and secondly his duty to his fellow being [the last six Commandments]. The last six were aptly summed up in Christ's words:-

"Whatsoever ye would that men should do to you, do ye even so to them." In modern language:- **"Do unto others as you would have them do unto you"**. This is a simple, faultless rule which if adopted, would prevent strife and wars. It leaves no room for selfishness of any kind.

The Ten Commandments, if obeyed by all human beings, would set every person free from fear and distrust. Love would displace hatred toward our Creator and our fellow beings. Crime would cease; no police force or army would be needed.

This was God's intention for the human race who were given the freedom of choice. How could our Creator be any fairer to His subjects?

Every good law has an inbuilt penalty for its violation. If the very necessary law of gravity is ignored, the penalty is quickly realised by the offender. We teach our young children about the law of gravity and its penalty because of our deep love for them.

Our Creator loved His children so much that He taught them the Ten Commandments for their protection. Any attempt to alter them could only be described as **"sedition"**. It would be like removing a "Danger" sign, or turning a "One Way Traffic" sign around and point it in the wrong direction.

Selfish people hate being controlled by even good laws and call them "legalistic" or a "burdensome yoke", and yet they demand that other people give them the right of the protection they offer. There is no love in this doctrine.

Christ always upheld the Ten Commandments as being the condition of eternal life. It was because this law could never be altered that He came to this Earth and died the death which was the penalty for sin, so that we may have another chance of salvation. He made it possible for us to live in harmony with the law which was God's original purpose. This is the True Love Gospel of Jesus Christ found in the Bible.

The Fourth commandment demands the keeping of **the Seventh day** holy as the **Memorial** of God's Creation. The language is **specific!**

This commandment contains the **Creator's Seal**. (see reverse of sheet - last note.) An attempt to replace the Seventh day with the First day (Sunday) came from "Sun worshipping customs" which system of worship was totally opposed to God's true system. It was the Devils counterfeit.

Daniel and Revelation unfold the future events.

### The Fourth Commandment

**Exodus 20:8-11** "Remember the Sabbath day, to keep it holy. Six days shalt thou labour, and do all thy work: But the **seventh day** [is] the **Sabbath** of the **LORD** thy God: [in it] thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant, nor thy maidservant, nor thy cattle, nor thy stranger that [is] within thy gates: For [in] six days the **LORD made heaven and earth**, the sea, and all that in them [is], and rested **the Seventh day**: wherefore the **LORD blessed the Sabbath day, and hallowed it.**"

**Daniel 7:25-26** And he shall speak [great] words against the most High, and shall wear out the saints of the most High, and **think to change times and laws**: and they shall be given into his hand until a time and times and the dividing of time. But the judgment shall sit, and they shall take away his dominion, to consume and to destroy [it] unto the end.

**Revelation 13:17-18** And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number [is] Six hundred threescore [and] six. [666]

**Rev.22:14** Blessed [are] they that **do** his commandments, that they may have right to the tree of life, ....and may enter in through the gates into the city.

**Revelation 22:15** For without [are] dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie.
